**About Us**

Legacy Furniture Ltd. was founded in 1996 when it started as a small start up occupying a 200 sqft workshop and a total manpower strength of 3. Today it has grown into a company occupying a total retail outlet space of 50,000 sqft. Spread over different locations all over Bangladesh. Legacy Furniture brings 28 years of experience in manufacturing furniture products. The Legacy Factory has a quality system designed to give emphasis on consistent products quality and continuous improvement. This innovative approach enables Legacy to significantly increase its efficiency and remain competitive in today's ever-changing market place.
